

Join our Mission.

Seeking Counselors and Social Workers who are passionate about providing values-driven, integrative therapy.

Responsibilities:

- Conduct comprehensive clinical assessments and develop personalized treatment plans
- Utilize a range of therapeutic modalities, such as CBT, SFT, and Mindfulness
- Document clinical progress, maintain accurate client records, and adhere to all ethical and legal requirements
- Participate in ongoing clinical supervision, training, and professional development
- Collaborate with other providers and community resources to ensure effective and coordinated care

Qualifications:

- Alignment with the practice's Mission, Vision, and Values
- Master's degree in clinical counseling, social work, or related field
- Active, unrestricted license, Professional Counselor (LPC, LPCC, LPCC-S), Social Worker (LSW, LISW, LISW-S)
- Experience providing direct clinical services in a mental health setting
- Strong clinical skills in assessment, diagnosis, and evidence-based treatment planning and execution

Benefits:

- Competitive compensation: \$55.00 - \$70.00 per hour based on education, experience, and licensure
- Independence to set your work schedule, caseload size, and clinical specialties
- Paid time off for major holidays
- Fully furnished professional office space
- Clinical Supervision provided
- Reimbursements for continuing education, license renewal, and malpractice insurance
- Consistent referrals, and the ability to cultivate new referral sources
- Ongoing professional development opportunities
- Collaborative, comfortable, and supportive work environment
